September 2009

Dear Potential EBYBA Sponsor:

The 2009-2010 youth basketball season is now upon us. The East Bridgewater Youth Basketball Association (EBYBA) coordinates and oversees a non-profit basketball program run by the local volunteers in which close to 400 East Bridgewater boys and girls participate each year. We would like to thank you for your interest in sponsoring your child's team in the form of a \$150 donation. The EBYBA needs local businesses to help us run a successful basketball program to help defray the increasing cost of uniforms, gym rentals, equipment repairs, and special events.

Your donation will be displayed in the EBYBA tradition of having your company's or organization's name printed on the back of one team's jerseys, plus you will receive an engraved plaque with a color photo of the team that you sponsored to proudly display at your company or organization. In addition, we will display your company's or organization's information on the sponsor page of our website including a link to any website or e-mail address you might have.

If you have any questions about our program, please feel free to call the EBYBA President, Tim Royer, at 508-586-9107. We hope that you will consider this a valuable investment in the East Bridgewater community. Your support is very important to us! THANK-YOU!
